Please find below and/or attached an Office communication concerning this application or proceeding.

Notice of Non-Responsive Amendment

The reply filed on April 11, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant failed to elect a species. While Applicant did provisionally elect invention I, the required election of species was omitted. Applicant is reminded of the Election/Restriction requirement as stated in the previous action:

“Applicant is advised that the reply to this requirement *to be complete must include* (i) an election of a species or invention to be examined even though the requirement be traversed (37 CFR 1.143) and (ii) identification of the claims encompassing the elected invention.”

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
